PROGRAMS OFFER 2 FOR 1 VISIBILITY OPPORTUNITIES

CELEBRATING INDIANA'S PROUD MANUFACTURING TRADITION

Showcase Your Company via New Award Programs!

The importance of Indiana manufacturers cannot be overstated. They provide the jobs and create the goods that sustain Hoosiers (and the world!) and are often the economic backbone of their local community. The Indiana Chamber of Commerce is pleased to shine a spotlight on this vital industry with not one, but two new recognition programs!

- **Indiana Best Places to Work in Manufacturing®** – Like the overall Best Places to Work program, this manufacturing version highlights the workplace culture – with results determined through confidential employee surveys and employer feedback
- **Coolest Thing Made in Indiana** – Entered companies face off in a single-elimination bracket format with winners chosen through public fan voting. Each winner advances to the next round of the tournament until we crown a champion

Award recipients will be honored at a luncheon on December 11 in Indianapolis.

Whether it's at the event or via press releases, social media, web sites and more, there are a variety of ways for your company to be showcased while you pay tribute to Hoosier manufacturers.
